Summary: Becca meets someone.

The Dream Girl

The Dream Girl

Shae-Lynn always knew what it was like to have a boyfriend for a vampire. But she had never met one in her life. She was about to find out. It happened in 3rd grade when she met a boy who was mysterious to her. His name was Edward Cullen. She was a great companion to him, until she forgot about him(actually she forgot the time she met him). 5 years later she was standing outside with her BFF Becca Henson. Becca had brown curly hair and green eyes. She had a smile that grabbed a boy's attention to ask her out on a date, which Shae-Lynn was pretty jealous of. Her eyes wanted an adventure everyday, but she could not find one. "I have to get a boyfriend!" Becca said impatiently. Shae-Lynn frowned, "Why? Don't you have one?". Becca sighed, "Tintin is my **fake** boyfriend. You would understand. Besides I wish I would meet him in real person." Meet? That does not sound like her boyfriend to me. Shae-Lynn wrinkled her nose in disgust. Tintin looked like a doll to her than a reporter. She didn't like Tintin very much. Actually she didn't like anybody in that movie either. She'd just wish that they weren't even real. "I think you should go out with a vampire instead of a weirdo reporter!" Shae-Lynn said, batting her eyes trying to get Becca's attention. Luckily for Becca she was looking at **other** cute guys, like Cole Springs. He had blonde hair and blue eyes like the ocean. To bad for her boyfriend, thought Shae-Lynn. He's going to be mad!

Cole Springs sat on the edge of his bed and groaned. He hated school, even when parents told him when he had to. He picked up the phone to call his friends. Then he put down the phone again. Who needs manly advice anyway? Besides he wasn't a baby asking for his binkie . He just needed to figure things out by himself. Becca didn't that Cole likes her. Cole's smile faded when he saw the picture of him and his ex-girlfriend. He hated her. He wanted to crush her heart like he was

a king trying to defeat an evil witch. But what could he do? Nothing. He needed help. He needs Tintin.

Becca didn't need Shae-Lynn's vampire advice. I can do things on my own, she thought. I'm not a baby. Hiccup would think that! Or at least she thought he would. Everyone thought Hiccup from "How to Train Your Dragon" was her brother. That's because they both have brown hair and green eyes. The only problem was that Hiccup had a dragon and Becca didn't. The truth was, Becca doesn't have a real brother. She was glad to have brother for a viking. Hiccup's girlfriend(and friend) Astrid was going to have lessons with her tomorrow. She couldn't wait!
